INDEPENDENT AUDITORS' REPORT

The Board of Directors
The Young Men's Christian Association of Birmingham, Inc.
Birmingham, Alabama

Opinion

We have audited the accompanying financial statements of The Young Men's Christian Association of Birmingham, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Young Men's Christian Association of Birmingham, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Young Men's Christian Association of Birmingham, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Young Men's Christian Association of Birmingham, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Young Men's Christian Association of Birmingham, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Young Men's Christian Association of Birmingham, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Activities – Endowment Funds and the Schedule of Property and Equipment by Branch are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF ORGANIZATION

The Young Men's Christian Association of Birmingham, Inc. ("the YMCA"), is a charitable organization that opens its doors to all women, men, families, teenagers and children regardless of their ability to pay. The mission of the YMCA is to put Judeo-Christian principles into practice through programs that build healthy spirit, mind and body for all.

As of December 31, 2021, the YMCA is comprised of nine community branches, one youth center, and one resident camp. Incorporating the core character values of caring, respect, honesty and responsibility into all of its programs, the YMCA is dedicated to providing a firm foundation and support system promoting healthy lifestyles, leadership development, community interaction and collaboration, volunteerism and philanthropy.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Financial Statement Presentation

The financial statements of the YMCA have been prepared on the accrual basis of accounting.

The YMCA reports information regarding its financial position and activities according to two net asset classifications based on the existence and nature of any donor-imposed restrictions as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor-imposed restrictions. Board designated endowment funds are recorded as net assets without donor restrictions.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time or purpose for which the resource was restricted has elapsed, been fulfilled, or both.

Income Taxes

The YMCA is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Management believes that all revenue-producing activities of the YMCA comply with Section 501(c)(3) of the Internal Revenue Code. Accordingly, no accrual for taxes has been made.

The YMCA has no significant uncertain tax positions that would require either recognition or disclosure in the financial statements. No interest or penalties related to income taxes have been recognized in the financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The YMCA defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less, excluding amounts held as long-term investments (quasi-endowments) in the YMCA's investment portfolio. The cash maintained in the YMCA's bank accounts may, at times, exceed federally insured limits. However, management believes the credit risk related to these amounts is minimal.

Investments

Investments are stated at fair value based on published market quotations. Unrealized holding gains and losses are reflected in investment income. Marketable securities that are donated are recorded at fair value as of the date received. Certain investments of board designated endowment funds have been jointly invested for the purpose of maximizing income. Investment income is shared based on each fund's total investments. Investment income (interest and dividends) is recognized when earned or declared, and the YMCA has rights to the respective income.

Board designated endowment funds are administered by Trustees who are nominated by the Board of Directors of the YMCA. The Trustees have sole authority to invest, sell, pledge and otherwise administer these funds for the sole benefit of the YMCA. Annual distributions from endowment assets are used to fund programs and supporting services.

Pledges Receivable

Contributors include businesses and individuals primarily located in Birmingham and the surrounding area. Contributions are recognized when the donor makes a pledge to the YMCA that is, in substance, unconditional. Contributions that are unrestricted are recorded as increases in net assets without donor restrictions. Contributions that are restricted by the donor are reported as increases in donor restricted net assets. When restrictions expire and/or are satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions.

An allowance for uncollectible pledges is maintained in amounts estimated to provide adequate reserves to cover anticipated losses based on historical bad debt experience and periodic evaluation of the accounts. As of December 31, 2021 and 2020, an allowance of \$500 and \$12,482, respectively, was recorded.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are reported at their estimated net realizable value, which is based on management's review of material balances outstanding and historical collection experience. Accounts receivable are presented net of an allowance for doubtful accounts of \$3,058 and \$0 at December 31, 2021 and 2020. Management will write off any balance that remains after it has exhausted all reasonable collection efforts and concludes that additional efforts are not cost-justified.

Property and Equipment

Property and equipment is stated at cost or, if donated, at estimated fair value at the date of gift. It is the YMCA's policy to capitalize expenditures for property and equipment in excess of \$2,000 having estimated useful lives in excess of one year. Charges for depreciation are provided on a straight-line basis over the estimated useful lives of the assets or the shorter of the life of the lease or estimated useful life for donated, leased buildings. Amortization of assets recorded under capitalized lease obligations is included with depreciation in the accompanying financial statements.

Donated Property, Leases, Materials and Services

Donated materials are recorded as contributions at the time the donated items are placed into service or distributed. Donated property and leases are reflected as contribution revenue and property and equipment in the accompanying financial statements at their estimated fair value at the date the contribution becomes an unconditional promise to give. Volunteers devote significant amounts of time to the YMCA's various program services and fundraising activities; however, no objective basis exists for assigning value to their services. Accordingly, such donated services are not reflected in the accompanying financial statements.

Deferred Revenue

Deferred revenue represents revenues collected or billed but not earned. This is comprised primarily of summer camp registrations and membership dues received in advance.

Contributions and Grants

Unconditional contributions, grants, and pledges, are recognized in the period received or made. All contributions are considered available for unrestricted use unless specifically restricted by the donor. The YMCA has adopted a policy to classify donor restricted contributions as without restrictions to the extent that donor restrictions were met in the year the contribution was received. Conditional contributions and grants are recorded as revenue in the year the conditions are satisfied.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

The YMCA recognizes revenue accounted for as exchange transactions from two major sources, which are as follows:

Membership Dues

Membership dues are recognized ratably over the period of membership, which varies based on when members join or leave the YMCA. Unearned membership revenue is reflected as deferred revenue on the statements of financial position. Members are provided with monthly access to the YMCA locations and a variety of services, and revenue is recognized monthly as the services are provided. Management has adopted the practical expedient whereby costs to obtain membership contracts are not capitalized as the average length of a membership contract is less than one year. Membership dues are reported net of scholarships and discounts.

Program Service Fees

Program Service Fees are reported at the amount that reflects the consideration to which the YMCA expects to be entitled in exchange for providing services to their program participants. Program fees include fitness classes, child care, day camps, overnight camps, swim lessons, sales of merchandise, and various other programs operating at YMCA locations, program sites, camps, or schools. Performance obligations are determined based on the nature of the services provided by the YMCA. Performance obligations are generally providing a service at a point in time. Revenue is recognized at the time the program is held or merchandise is sold. Unearned program fees are reflected as deferred revenue on the statements of financial position. Program service fees are reported net of scholarships and discounts.

Functional Allocation of Expenses

The costs of program services, management and general, and fundraising activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on estimates of time, effort and utilization, and other appropriate methods based on the nature of the expenditure.

Advertising

Advertising costs are expensed as incurred. Advertising expense for the years ended December 31, 2021 and 2020 totaled \$359,100 and \$383,261, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Non-operating Activities

Non-operating activities include all investment income, including gains and losses on investments held for long-term purposes or capital expenditures, gains and losses on sales of assets, and income related to COVID-19 relief programs described in Note 10 and Note 20. Non-operating activities are reflected in the accompanying statement of activities.

Reclassification

Certain reclassifications of amounts previously reported have been made to the accompanying financial statements to maintain consistency between periods presented. The reclassifications had no impact on total net assets or the change in net assets.

Evaluation of Subsequent Events

Management has evaluated subsequent events through the date of the Independent Auditors’ Report, which is the date the financial statements were available to be issued.

NOTE 3 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The YMCA’s financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, are as follows:

| | |
|--------------------------------------------------------------------------------|----------------------|
| Financial assets: | |
| Cash | \$ 8,792,141 |
| Investments | 9,188,248 |
| Pledges receivable | 1,319,762 |
| Accounts receivable | 907,876 |
| Notes receivable | 383,403 |
| Total financial assets, at year-end | <u>20,591,430</u> |
| Less those with contractual or donor-imposed restrictions: | |
| Restricted by donor with time or purpose restrictions | (1,804,303) |
| Less financial assets held as board designated endowments | <u>(7,606,346)</u> |
| Financial assets available to meet cash needs for expenditures within one year | <u>\$ 11,180,781</u> |

As part of the YMCA’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations become due. The YMCA also has a line of credit in the amount of \$2,000,000 available to draw upon.

NOTE 4 – INVESTMENTS

Investments at December 31, 2021 and 2020 are stated at fair value and consist primarily of corporate bonds and notes, cash management funds, commercial paper and equity securities as follows:

| | 2021 | | 2020 | |
|--------------------|---------------------|---------------------|---------------------|---------------------|
| | Cost | Fair Value | Cost | Fair Value |
| Common stocks | \$ 2,549,274 | \$ 3,143,075 | \$ 1,808,077 | \$ 3,592,343 |

NOTE 5 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the YMCA has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Young Men’s Christian Association of Birmingham, Inc.
Notes to Financial Statements
December 31, 2021 and 2020

NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis at December 31, 2021 and 2020:

Mutual funds, common stocks, and international stocks are valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Corporate bonds are valued based on quoted prices for identical or similar assets in non-active or less active markets (Level 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the YMCA believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a summary of the fair value measurements used for assets measured at fair value on a recurring basis as of December 31, 2021 and 2020:

| | Fair Value | Fair Value Measurements at December 31, 2021 | | |
|--------------------|---------------------|----------------------------------------------|---------------------|-------------|
| | | Level 1 | Level 2 | Level 3 |
| Common stocks | \$ 3,143,075 | \$ 3,143,075 | \$ - | \$ - |

NOTE 6 – CAPITAL CAMPAIGN

During the year ending December 31, 2021, the YMCA announced a capital campaign to revitalize the Northeast YMCA and the surrounding Roebuck community through a collaboration with Habitat for Humanity (Habitat) and other community partners. The YMCA will convert the Northeast YMCA into a community center, Habitat will build 22 single family homes surrounding the Northeast YMCA, and a community-based family medicine clinic will be attached to the renovated Northeast YMCA. The YMCA plans to raise \$3.5 million of the funding for the Roebuck Project through pledges and contributions. Additional funding will be achieved through the sale of land to Habitat and the use of New Market Tax Credits. Building of the project should begin in early 2023. Pledges and contributions to the capital campaign amounted to \$1,438,122 during the year ended December 31, 2021.

NOTE 7 – PLEDGES RECEIVABLE

At December 31, 2021 and 2020, pledges receivable are as follows:

| | <u>2021</u> | <u>2020</u> |
|-------------------------------------------|---------------------|------------------|
| Annual campaign | \$ 17,640 | \$ 83,738 |
| Capital campaign | 1,317,000 | - |
| Totals | <u>1,334,640</u> | <u>83,738</u> |

| Less discounts on pledges receivable | <u>(14,378)</u> | <u>-</u> |
| Net pledges receivable | <u>\$ 1,319,762</u> | <u>\$ 71,256</u> |

Pledges receivable due in more than one year are discounted at 3.25%.

At December 31, 2021, pledges receivable are due as follows:

| | |
|--------------------|--------------------|
| Less than one year | \$1,013,640 |
| One to five years | <u>321,000</u> |
| Total | <u>\$1,334,640</u> |

NOTE 8 – NOTES RECEIVABLE

In 2019, the YMCA sold property to an unrelated party in exchange for a \$740,000 non-interest bearing mortgage note receivable. The note balance was discounted to an estimated present value of \$665,490, assuming a 5.5% interest rate over a three-year term. The note receivable is due in annual installments of \$273,333, \$273,333, and \$193,334 beginning March 2020 through March 2022. The discounted balance as of December 31, 2021 and 2020 was \$183,403 and \$432,785, respectively.

In 2020, the YMCA sold property to an unrelated party in exchange for a \$200,000 non-interest bearing mortgage note receivable. The note balance was discounted to an estimated present value of \$193,903, assuming a 3.25% interest rate over a one-year term. The note receivable was originally due in August 2021 but has been extended to February 2022.

Amortization of the discounts on notes receivable is reported as interest income.

NOTE 9 – PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2021 and 2020 consists of the following:

| | <u>2021</u> | <u>2020</u> |
|------------------------------------------------|----------------------|----------------------|
| Land and donated land leases | \$ 13,593,874 | \$ 13,593,874 |
| Buildings | 41,366,543 | 41,366,543 |
| Building and leasehold improvements | 17,793,267 | 17,731,108 |
| Equipment and vehicles | 7,665,216 | 7,540,825 |
| Construction in progress | 137,603 | 339,533 |
| Total property and equipment | <u>80,556,503</u> | <u>80,571,883</u> |
| Less accumulated depreciation and amortization | <u>(42,526,133)</u> | <u>(40,535,253)</u> |
| Net property and equipment | <u>\$ 38,030,370</u> | <u>\$ 40,036,630</u> |

Depreciation expense, including amortization expense, amounted to \$2,127,879 and \$2,168,688 for the years ended December 31, 2021 and 2020, respectively.

Included in property and equipment are assets under capitalized lease obligations at December 31, 2021 and 2020 as follows:

| | <u>2021</u> | <u>2020</u> |
|------------------------------------------------|----------------------|----------------------|
| Land | \$ 11,122,278 | \$ 11,122,278 |

NOTE 10 – LINE OF CREDIT

The YMCA has entered into a line of credit facility with a bank having maximum availability of \$2,000,000, none of which was outstanding at December 31, 2021 and 2020. The line renews annually and is subject to renewal in August 2022. Under the terms of this facility, the YMCA is required to maintain certain financial ratios relating to debt service coverage.

NOTE 11 – PPP LOANS PAYABLE

In March 2021, the YMCA qualified for and received a first draw loan pursuant to the Paycheck Protection Program (“PPP”), a program implemented by the U.S. Small Business Administration under the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”), as amended by the Consolidated Appropriations Act, 2021 and American Rescue Plan Act, for an aggregate principal amount of \$1,831,835. The PPP loan bears interest at a fixed rate of 1.0% per annum, has a term of five years, and is unsecured and guaranteed by the U.S. Small Business Administration. The principal amount of the PPP loan is subject to forgiveness under the Paycheck Protection Program upon the YMCA’s request to the extent that the PPP loan proceeds are used to pay expenses permitted by the Paycheck Protection Program, including certain payroll and employee benefit costs and certain operating expenses incurred by the YMCA. During the year ending December 31, 2021, the YMCA applied for and received full forgiveness of the first draw PPP loan with respect to the permitted expenses. Therefore, a gain on PPP loan forgiveness of \$1,831,835 is recognized in the accompanying statement of activities for the year ended December 31, 2021. No interest is required to be paid because the loan was forgiven.

In May 2021, the YMCA qualified for and received a second draw PPP loan for an aggregate principal amount of \$1,831,835. The second draw PPP loan terms are similar to the first draw PPP loan. Subsequent to year end, the YMCA applied for and received forgiveness of the second draw PPP loan with respect to the permitted expenses. Therefore, the corresponding gain on PPP loan forgiveness will be recognized in 2022.

NOTE 12 – CAPITALIZED LEASE OBLIGATIONS

Capitalized lease obligations represent lease agreements that the YMCA has entered into with a local municipal park and recreation board and redevelopment authority to lease certain facilities that the park and recreation board and the redevelopment authority purchased with proceeds from municipal bond issues as well as equipment acquired under leases determined to be accounted for as capital.

Facility Leases

During 2019, the YMCA refinanced its existing bonds through financing with the Public Park and Recreation Board of Jefferson County (PPRBJC). Details of the refinancing are presented below.

During 2019, the YMCA issued series 2019-A revenue bonds totaling \$9,057,312, which refinanced \$8,698,672 of PPRBJC revenue bonds issued in 2016, \$346,324 of PPRBJC revenue bonds issued in 2008, and expenses of \$12,316 related to the issuance of the bonds. In connection with the bond trust indenture, the YMCA has executed a guaranty agreement and a lease agreement each dated August 29, 2019. Beginning October 1, 2019 through March 2023, monthly lease payments of interest only are required at a fixed rate. Beginning April 1, 2023, monthly lease payments of principal and interest are required to be made beginning through the maturity date of September 1, 2029, at which time the entire principal amount outstanding shall be due and payable. Each payment is in an amount equal to the debt service and accrued interest due on that date.

NOTE 12 – CAPITALIZED LEASE OBLIGATIONS (CONTINUED)

During 2019, the YMCA issued series 2019-B revenue bonds totaling \$9,777,312, which refinanced \$3,180,137 Homewood Downtown Redevelopment Authority (HDRA) revenue bonds issued in 2017, \$1,558,797 of Shelby County Park and Recreation Authority (SCPRA) revenue bonds issued in 2012, \$4,475,980 2008 PPRBJC revenue bonds issued in 2008, \$398,900 to terminate the interest rate swap agreement on the 2008 PPRBJC revenue bonds, and expenses of \$163,498 related to the issuance of the bonds. In connection with the bond trust indenture, the YMCA has executed a guaranty agreement and a lease agreement each dated August 29, 2019. Beginning October 1, 2019 through September 2021, monthly lease payments of interest only are required at a fixed rate. Beginning October 1, 2021, monthly lease payments of principal and interest are required to be made beginning through the maturity date of September 1, 2029, at which time the entire principal amount outstanding shall be due and payable. Each payment is in an amount equal to the debt service and accrued interest due on that date.

During 2019, the YMCA issued series 2019-C taxable revenue bonds totaling \$720,000, which refinanced \$720,000 of PPRBJC revenue bonds issued in 2008. Beginning October 1, 2019 through September 2021, monthly lease payments of interest only are required at a fixed rate. Beginning October 1, 2021, monthly lease payments of principal and interest are required to be made beginning through the maturity date of March 1, 2023, at which time the entire principal amount outstanding shall be due and payable. Each payment is in an amount equal to the debt service and accrued interest due on that date.

Common Lease Terms - Facility Leases

With respect to the bond issues and related lease agreements mentioned above, the park and recreation boards and redevelopment authorities each have entered into trust indentures with financial institutions designating the financial institutions as trustees. The YMCA and the park and recreation board have conveyed title to the financial institutions of all real property and interests therein together with the buildings, structures and improvements at the sites. The leases contain bargain purchase options whereby the YMCA can purchase the facilities at a nominal cost at the end of the lease terms. Accordingly, the agreements are classified as capital leases with the related assets recorded as property and equipment and the lease obligations recorded as liabilities in the accompanying statement of financial position.

Under the terms of the bond agreements, the YMCA is required to maintain certain financial ratios relating to adjusted tangible net worth and debt service coverage.

At December 31, 2020, the YMCA is in technical default of its debt service coverage ratio required in the financial covenants associated with the bond agreements, which allows the lenders to give notice to the YMCA that the loan is immediately due and payable. However, the lenders waived the debt service coverage ratio covenant requirement until January 1, 2022.

NOTE 12 – CAPITALIZED LEASE OBLIGATIONS (CONTINUED)

Equipment Leases

During 2021, the YMCA entered into two capitalized lease obligations for equipment. At December 31, 2021, there were a total of eleven equipment leases. Amounts related to the leases are aggregated due to their similarities in treatment and terms.

Lease Payments

Following is a schedule of future minimum lease payments due under all capitalized lease obligations for each of the next five years ending December 31, thereafter and in the aggregate:

| | |
|-----------------------------------------|----------------------|
| 2022 | \$ 1,394,560 |
| 2023 | 1,348,547 |
| 2024 | 1,322,707 |
| 2025 | 1,317,662 |
| 2026 | 1,313,402 |
| Thereafter | <u>15,981,585</u> |
| | 22,678,463 |
| Less amounts representing interest | <u>(3,228,853)</u> |
| Present value of minimum lease payments | <u>\$ 19,449,610</u> |

NOTE 13 – OPERATING LEASES

The YMCA leases equipment from an unrelated party under nine non-cancelable operating leases expiring in 2023. Total expense for rental of equipment under the operating leases was \$603,203 and \$580,416 for the year ended December 31, 2021 and 2020, respectively. Future minimum annual rental commitments under the operating leases at December 31, 2021 are as follows:

| | |
|-------|---------------------|
| 2022 | \$ 616,668 |
| 2023 | 200,417 |

NOTE 14 – EMPLOYEE BENEFIT PLAN

The YMCA participates in a defined contribution pension plan of The National YMCA. All employees with service hours in excess of 1,000 hours for two years are covered under provisions of the plan. Employee contributions are not mandatory; however, employees may elect to contribute a portion of their earnings. The Plan is operated as a church pension plan and is a non-profit tax-exempt corporation. As a defined contribution plan, the Plan has no unfunded benefit obligations.

In accordance with the Pension Plan, contributions, determined based on a percentage of the participating employee's salary, are paid monthly by the YMCA to The National YMCA Pension Plan (the Plan). Total YMCA contributions charged as retirement expense were \$566,845 and \$604,846 for the years ended December 31, 2021 and 2020.

NOTE 15 – RELATED PARTY TRANSACTIONS

The members of the YMCA’S governing body consist of many individuals and business leaders in the local community. At times, throughout the normal course of business, the YMCA transacts with certain local businesses whose management, ownership or governance consists of YMCA board members. All related party transactions with board members are governed by a conflict of interest policy. In 2021 and 2020, the YMCA paid operating expenses of \$222,722 and \$728,036, respectively, to these companies.

NOTE 16 – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of pledges receivable, investments and cash and cash equivalents, which are available for the following purposes or periods:

| | <u>2021</u> | <u>2020</u> |
|---------------------------------------|---------------------|-------------------|
| Restricted contributions and grants | \$ 341,181 | \$ 71,275 |
| Restricted capital campaign | 1,438,122 | - |

NOTE 17 – DOWNTOWN YOUTH CENTER

During 2006, the YMCA entered into a 50-year lease agreement (ten successive five-year renewal options) with the Birmingham Board of Education (BBOE) for the gymnasium and certain other facilities of the former Phillips High School. The lease agreement called for the YMCA to make significant improvements to the leased premises, to allow the BBOE and other parties to use the facilities as authorized by the YMCA, and to establish an endowment to fund and support the maintenance of the improvements and the delivery of programs. The YMCA pays the BBOE \$1.00 per year in rent for the facilities. The excess of the fair value of the BBOE lease over the required lease payments resulted in \$600,000 donated land lease to be recorded as a capital asset. The land lease is amortized on the straight-line basis over the term of the lease. This amortization is included with depreciation expense.

NOTE 18 – ENDOWMENT FUNDS

The YMCA's endowment includes both donor-restricted funds and funds designated by the Trustees to function as an endowment. These funds consist of three individual funds held within two investment accounts. The General Endowment consists of the Camp Cosby fund, a portion of which is donor-restricted, and the General fund. The board-designated funds were established for the purpose of securing the long-term financial viability of Camp Cosby and the Association. The donor-restricted portion of the Camp Cosby fund was established for the purpose of providing camp scholarships. The Youth Center Endowment was established to fund and support the maintenance and delivery of programming at the Downtown Youth Center. Net assets associated with these endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The YMCA has a spending policy on the endowment funds which states that the annual distribution will be at the rate of 5% of the average market value of the endowment measured over the previous 12 quarters ending June 30 prior to the beginning of the next calendar year. The trustees do have the discretion to spend all or any portion of that amount, or an amount in excess of the 5% depending on the needs of the YMCA or the Downtown Youth Center. The objective of the YMCA board trustees is to maintain the purchasing power of the endowment assets as well as to provide additional real growth through investment return.

To achieve the objective, the YMCA has adopted an investment policy for the funds which is moderately aggressive, with an emphasis on long term growth. The target asset allocation for the funds is 65% equities, 20% diversified strategies, and 15% fixed income. However, the investment manager does have discretion with respect to the allocation of assets among the asset classes within specific guidelines. The goal for growth after distributions and fees for investment management and administration is earnings in excess of the inflation rate over a full market cycle. The funds are expected to maintain or grow, on an inflation adjusted basis, over a full market cycle.

NOTE 19 – CONTINGENT LIABILITIES

The YMCA is involved in certain litigation in the ordinary course of business. Management does not anticipate these claims to have a significant adverse impact on the financial position of the YMCA.

The YMCA has opted out of the state unemployment insurance system, requiring the YMCA to reimburse the state for unemployment benefits actually paid to each employee. Management has accrued a liability of approximately \$5,000 and \$283,000 as of December 31, 2021 and 2020, respectively.

NOTE 20 – CONTRIBUTIONS DURING COVID-19 CLOSURE

As a result of government orders during the COVID-19 pandemic, the YMCA closed its branches mid-March 2020 until June 2020. Membership dues received from members on a voluntary basis during the period the branches were closed have been classified as contribution revenue without donor restrictions because no services were provided during the closure period. The amount classified as contribution revenue for the year ending December 31, 2020 was approximately \$2,757,000.

NOTE 21 – EMPLOYEE RETENTION CREDITS

During the years ending December 31, 2021 and 2020, the YMCA applied for and received Employee Retention Credits. The Employee Retention Credit, which was established by the CARES Act, is a refundable credit allowed to an eligible employer for qualifying wages. The YMCA recognized income from Employee Retention Credits for the years ended December 31, 2021 and 2020 of \$2,143,215 and \$117,501, respectively.
