Schedule Information

Swim Lessons: One lane is always dedicated to our swim lessons to help everyone learn and grow! When lessons aren't in session, this lane happily opens up for extra lap swimming.

Open Swim: A fun, free-swim time for everyone-especially families and young children! To keep it safe and playful for the little ones, there is no lap swim in the open swim lane.

Water Aerobics: Water Aerobics has exclusive use of the pool lanes for the duration of their scheduled class time. To help our other morning programs wrap up smoothly and safely, we kindly ask that Water Aerobics participants wait to enter the pool until their official class start time.

Lap Swim: Reserved for swimming laps! Please choose a lane with swimmers at a similar pace, or ask an Aquatics team member for help.

- **1 or 2 Swimmers:** Feel free to split the lane
- **3+ Swimmers:** Please switch to “circle swimming”
